POLITICAL ACTION—GET INVOLVED

As members of LIUNA Local 1180, we all benefit greatly from the protections and efforts of our union. Simply put, we are stronger together. Our ability to protect and grow the benefits of our union membership comes, in part, through political advocacy.

The Eastern Pennsylvania Laborers' Political League fights for critical government policies on behalf of workers and fights against the efforts of wealthy corporations to break up unions and reduce workers rights. Now more than ever, our livelihood is at stake, and to survive we must continue to have a strong voice in government as well as on the job site.

We must fight to protect local jobs, strong wages and a retirement with dignity. We need responsible contracting with state-approved apprenticeship training to educate the safe, high-skilled, competitive workforce. We need local hire provisions so our communities can provide career opportunities.

We are counting on you to be a part of the political action that protects our jobs and livelihood. Contact the Union Hall if you are willing to get involved. Thank you for your hard work and commitment to Local 1180 and all union workers.

ANNUAL MEMBERSHIP DUES INCREASE

Effective January 1, 2019, monthly dues will increase to **\$39 per month** for active members during the 2019 calendar year. Dues will remain **\$8 per month** for retired members during the 2019 calendar year.

To avoid suspension, dues are to be paid **no later than** the last day of the following month you are paying dues for (i.e. dues for the month of January must be paid by February 28th; dues for July must be paid by August 31st). On the first business day of the third month, you will be suspended and subject to all applicable readmission fees. No exceptions will be made.

Readmission fees must be paid in full. Partial payments are not accepted. Readmission fees increase with each month that dues are unpaid, so it is important that your payments are timely.

Please contact the Union Hall with any questions about your membership status.

MEETING REMINDER Membership meetings are held on the second Tuesday of each month at 7:30 p.m. Attend and stay informed on upcoming work and events

NOTE FROM OUR FUND ADMINISTRATOR...

On this benefit page, members can access their incoming Pension and Health & Welfare hours in addition to your dollar bank through the Member Portal. Under the Claims Portal, members can access their medical claims history, including previous EOB's (Explanation of Benefits). This website was designed to be a single access point for your benefits. If you have any questions or concerns, please contact PATH Administrators using the number on the back of your Medical Insurance Card.

CONTACT US WITH ANY UPDATES

Notify the Union Hall when you are hired, or laid off to be placed on the out of work list. Update us with any changes to your phone number or address. Without a current phone number, we can not contact you about work. Many times, we are contacted by PATH to verify your address for insurance purposes and an incorrect address can create delays in processing.
