## ANNUAL MEMBERSHIP DUES

Effective January 1, 2021, monthly dues will remain **\$40 per month** for active members during the 2021 calendar year. Dues will remain **\$8 per month** for retired members during the 2021 calendar year.

To avoid suspension, dues are to be paid **no later than** the last day of the following month you are paying dues for (i.e. dues for the month of January must be paid by February 28th; dues for July must be paid by August 31st). On the first business day of the third month, you will be suspended and subject to all applicable readmission fees. No exceptions will be made.

**Readmission fees must be paid in full.** Partial payments are not accepted. Readmission fees increase with each month that dues are unpaid, so it is important that your payments are timely.

Please contact the Union Hall with any questions about your membership status.
